

POLICIES & AGREEMENT 2026/27 Season

COMMITMENT

When you register for the C3 Hip Hop Dance Co. ("C3"|"The Company") Season, your child is committing to the season running mid-September - mid-June with weekly practices and various performances in the spring. Registration secures your dancer's place in the C3 Team program. Team placements are finalized in September.

Placement on a C3 Team is based on the following criteria: skill level, potential, commitment level, enthusiasm, age and attitude. We place dancers in teams that we feel will work best together in practice and performances.

- Performance only teams: Pee Wee, Junior Prep
- Performance & Competition Teams: Junior, Mid, Senior

C3 Teams are not structured as a drop-in or trial program. This is a full-season commitment designed for dancers ready to train consistently and participate as part of a team.

DROP OFF AND PICK UP

Please drop your child off to practice 5 minutes before practice time and have them wait inside the Studio main entrance area for practice to start. Please do not leave your children in the practice area prior to practice start time, even if the coach is present, as they will not have adult supervision prior to practice start time. Children should be picked up promptly at the end of class, as coaches/studio cannot be responsible for kids after practice time if not picked up timely. Keep in mind that C3 coaches may have obligations immediately following practice time.

STUDIO ETIQUETTE

No food, gum, or drinks, except for water bottles, allowed in the Studio training area. Dancers should not leave behind any trash and should take all personal belongings home after practice. C3 is not responsible for lost or stolen personal belongings.

PARENTS OBSERVING PRACTICE

Parents are welcome to watch full practices. Video recording of any routine or practice is only permitted during the last 5 minutes of practice when kids are aware of their audience, and should be used primarily for your child's educational purposes. Video recording of coaching personnel's training and instruction is prohibited. *Please be aware that not all parents have approved the posting of their kids' photos/videos online and therefore, online posting requires advance permission from the coach.*

ATTENDANCE & PARTICIPATION

Attendance is essential for your child's growth and commitment to the program, and we expect all dancers to attend every practice and arrive on time. We understand that emergencies, important family obligations (e.g., weddings), and travel may arise. Dancers are allowed **3 planned absences per season**, provided **notice is given at least 1 week in advance** by email to c3hiphopdance@gmail.com. For last-minute emergencies, please text Julie directly at 305-788-4263. Sickness is an exception to the attendance policy - see Sickness/COVID policy below.

POLICIES & AGREEMENT 2026/27 Season

Kids are expected to be fully engaged and participate throughout the entire practice. Non-participation is allowed for health reasons or injuries, but must be communicated to the coach. Excessive illness-related absences may require a conversation about readiness to participate fully in the program. **Phones are not allowed during practice except for medical or emergency reasons, and will be collected at the start of practice as needed.**

Low or inconsistent attendance, as well as unwillingness to participate (e.g., sitting out frequently, choosing not to dance without valid reason, showing disinterest in participation), reflects a lack of commitment. This negatively impacts team morale and progress and **may impact performance opportunities, competition participation, and routine positioning.** The C3 coaching staff reserves the right to remove a child from the team if they exceed 3 unexcused or un-communicated absences or exhibit consistent non-committal behavior.

MID-SEASON WITHDRAWAL POLICY

Registration fees are non-refundable and non-transferable.

Joining a C3 team means committing to a 9-month season. We know life can change, and we'll always approach these situations with care - but early withdrawals affect the whole team's progress, preparation and morale.

If your child chooses to withdraw during the season, **you must provide at least 2 weeks' written notice.** After that notice period, monthly fees will be discontinued.

If a dancer leaves after team formations have been set, there will be a **\$200 fee charged** to help cover the extra time needed to adjust choreography and formations for the rest of the team.

Please keep in mind that your dancer's spot could have gone to someone else, and our coaches invest significant time into planning with every team member in mind.

SICKNESS/COVID POLICY:

The health and safety of our dancers is very important to us. Please keep your child home if they have any symptoms of respiratory or gastrointestinal infections, such as cough, sneezing, fever, sore throat, or vomiting. This will not count as an "absence." If your child shows up to practice and is symptomatic, they will be asked to sit to the side and observe for the duration of practice. There will be zero tolerance for bullying around mask wearing.

COVID and other respiratory viruses: The updated CDC protocol suggests that you may return to normal activity when, for at least 24 hours, your symptoms are improving overall and you have not had a fever without the use of fever-reducing medication. From this point, the CDC recommends that you wear a mask and keep distance from others for a 5-day period.

POLICIES & AGREEMENT 2026/27 Season

We will follow this 5-day mask and distancing protocol for other major illnesses such as flu & RSV. We also ask that if your child is able to dance but experiencing minor symptoms, for the consideration of others please wear a mask and keep distance.

COMPETITION TEAMS

Just like with performances, competitions may require extra practices leading up to the event. It also requires local travel (i.e. Albany...) to the event as well as an additional cost to the season pricing for comp registration fees. Regional Competitions take place on weekends, and we will know in advance the date(s) of the competition(s) we decide to register for. For dancers placed on competition teams, participation in scheduled competitions is required and considered a core part of the team commitment. Nationals competitions take place over the summer - participation in Nationals is encouraged but optional. We will communicate dates to parents well in advance.

Competition rules prohibit individuals from competing against themselves (on different teams in the same category). Given the small pool of local competitions, conflicts are highly likely.

Dancers on *competition teams* will not be allowed to participate on other competition dance teams outside of C3.

Teams will perform based on readiness and team availability. Additional practices may be scheduled throughout the season as needed for choreography, performances, and competition preparation. We will aim to provide a minimum of 1 week notice before scheduling additional obligations.
